RTIP GUIDE

Health, dental and travel insurance for **all retired education employees**
Apply online today – visit otip.com/rtip-apply

When you pursue a career in education, you choose more than a career. You choose a life, a life dedicated to putting others first.

OUR STORY

Our name is OTIP.

Our initials stand for Ontario Teachers Insurance Plan. We stand for putting Ontario's educators first. Members of the education community are our reason for being - helping them protect the things they care about is what gets us out of bed in the morning, and it's what makes us look forward to tomorrow.

It's been like that since day one.

Over 40 years ago, a group of like-minded individuals came together to create OTIP. They strongly believed the insurance needs of Ontario's education community would be better served by a not-for-profit insurance advocate. With determination, skill and vision, OTIP works with the best insurance companies to shape and innovate products and services specially built for the education community.

Today, we proudly offer a full range of group and individual insurance products that all share one thing in common. They were created to specifically address and satisfy the unique needs of our members.

Why? Because we believe that insurance built around members of the education community is the best insurance of all, and that doesn't stop at retirement.

At OTIP, we don't have a profit motive. We have something more inspiring: a "putting our members first" motive. The proceeds we generate by meeting the needs of our members and going beyond expectations enable us to continually develop new and better ways to protect what matters to them most.

OTIP is proudly governed, led and inspired by the four education affiliates and their local leaders who daily champion the employees of Ontario's education communities. Being affiliate-led means we understand the needs and hopes of our members. Every product and service we offer has been shaped and improved by this deep understanding.

And that will always be true.

See pages 20-21 for more information about these programs.

Flexibility is important

Your needs will change throughout your retirement, so having the freedom to increase or decrease your coverage is very important. It is especially important once you turn 65 because the Ontario Drug Benefit (ODB) Program may cover the majority of your prescription costs. RTIP gives you the flexibility to decrease your prescription drug coverage at your next renewal (January 1)*, therefore reducing your monthly premiums. Don't pay for more prescription drug coverage than you need! For more information about the ODB Program, visit health.gov.on.ca and search "ODB Program."

RTIP plans are administered by Ontario Teachers Insurance Plan (OTIP).

*At renewal time, you can increase your coverage by one level (e.g. Gold 2500 to Plus 4000) or decrease by any number of levels (e.g. Plus 4000 to Gold 750, Gold 2500 to Gold 750). When you reduce health coverage, it will take effect on January 1 of your next renewal. If dental coverage is removed, you cannot apply for dental coverage again for 24 months after the date of termination.

DECIDING ON A PLAN

How old are you? What are your current annual prescription drug costs?

Under age 65 ► If you haven't kept track of the cost of your prescription drugs, don't worry! Call your pharmacist to determine the total annual cost of your prescription drugs.

Age 65 or older ► If you are 65 or older and living in Ontario with a valid Ontario health card, you are eligible for the Ontario Drug Benefit (ODB) Program. This program may cover the majority of your prescription drug costs. Call your pharmacist to determine the annual cost of your prescription drugs that are not covered under the ODB Program. Use that amount to determine the RTIP plan that will meet your coverage needs.

My current annual prescription drug costs are:
(Not including dispensing fees)

\$

RTIP offers the following levels of prescription drug coverage to fit your current and potential future needs:

Plan	Annual prescription drug max.	What else is included? Go to:
RTIP Plus 4000	\$4,000	Page 6
RTIP Gold 2500	\$2,500	Page 8
RTIP Gold 750	\$750	Page 10

Remember, you're not locked in! We offer multiple plans because we know your needs will change throughout your retirement, and when they do, you'll be able to increase your coverage by one level (e.g. Gold 2500 to Plus 4000) or decrease by any number of levels (e.g. Plus 4000 to Gold 750, Gold 2500 to Gold 750). When you reduce health coverage, it will take effect on January 1 of your next renewal. If dental coverage is removed, you cannot apply for dental coverage again for 24 months after the date of termination.

Find the appropriate plan in this guide and use this checklist to further customize your coverage.

- ☐ Choose single, couple or family coverage.
- ☐ Ensure the monthly premiums fit your budget.
- ☐ Review and understand your prescription drug coverage.

What else is important to you?

- ☐ Travel insurance — **Coverage for up to 95 consecutive days per trip, with unlimited trips per year.**
- ☐ Vision care.
- ☐ Paramedical services (chiropractic, physiotherapy, acupuncture, etc.)
- ☐ Semi-private hospital accommodation — included in RTIP Plus 4000 and RTIP Gold 2500.
- ☐ Dental coverage — always optional. Add it at any time with no penalty and claims reimbursement effective immediately.

Apply online today at otip.com/rtip-apply or complete and return the application form on page 17.

If at any time you are having trouble understanding something or making the best decision, call us at 1-800-267-6847 and we'll help you find the right coverage.

All retired Ontario education employees, their families and survivors can apply for coverage under an RTIP plan. There is no age restriction to join RTIP.

WHO IS ELIGIBLE

Have a dependant?

Members' unmarried, unemployed children under the age of 21 (under 31 if attending school full-time) are eligible for dependant coverage under an RTIP plan. There is no age limit for unmarried, dependent children who are incapable of self-sustaining support due to a mental or physical disability that occurred prior to age 21. Keep in mind any two family members can qualify for couple coverage. If you do not have an eligible spouse, you and your dependent child can qualify for couple rates.

I've set my retirement date.

Best time to apply!

Apply before your current health coverage ends to ensure your RTIP coverage is ready when you need it. Applying early also ensures that your benefits card is in your hands when your coverage begins.

If you continue to be covered under another group plan and wish to coordinate benefits with your RTIP plan, **medical evidence is not required if you apply within 60 days of your retirement.**

I've recently retired.

No medical evidence is required if you apply for an RTIP plan within 60 days of your group health plan end date.

I'm already retired and want to switch from a different group benefits plan.

If you want to switch to RTIP (even from another retiree group health benefits plan), **you can apply within 60 days of your current group health plan end date, without providing medical evidence.** There is no age restriction to join RTIP.

I have not been covered under a group health benefits plan in the last 60 days.

If you apply for any retiree health plan more than 60 days after your health coverage ends, **medical evidence is required.**

I'm still working or I'm semi-retired.

Even if your current health plan is not ending, you can still apply for an RTIP plan to coordinate benefits. **Medical evidence is required.**

TRAVEL INSURANCE

Included in all RTIP plans at no additional cost

Our travel insurance offers comprehensive coverage and is included in all RTIP health-care plans at no additional cost. In most cases, you will not need to purchase travel insurance when traveling outside of the province or country.

Emergency medical treatment

- Coverage for up to **\$2 million per person**, per trip while traveling outside of your province of residence.
- Coverage is effective for trips up to **95 consecutive days**, with an unlimited number of trips per year.

Trip cancellation and/or trip interruption

- Coverage for up to **\$6,000 per person**, per trip for pre-paid, non-refundable, non-transferable, unused expenses if you are unable to travel or continue to travel due to death, illness, or serious injury to yourself or a member of your immediate or extended family (as defined in the contract).
- Trip cancellation and trip interruption coverage are not available if you depart prior to the effective date of your RTIP policy. In the event of a trip interruption, return airfare is covered if the expense is incurred after the effective date of your RTIP policy.

24-hour emergency assistance

While you are away, 24-hour emergency assistance is always available. Services include arranging for: payment to health-care providers, medical referrals, transportation, notification of physician and family, and

local care of dependants. If you are hospitalized and your dependent children and/or grandchildren under the age of 18 are left unattended, their return home will be co-ordinated and paid for. If necessary, a qualified escort will accompany the dependent children, and the escort's expenses for a round trip will be paid.

Before you decide to travel

- If you depart on your trip prior to the effective date of your RTIP policy, your coverage will begin the day your RTIP policy comes into effect. The 95-day limit will begin on the day you depart.
- Claims processing uses a standard administrative practice to determine if you were clinically stable at the time of the incident. Because decisions on the eligibility of a claim are made after the claim has been submitted, OTIP cannot guarantee before you leave that claims related to your pre-existing medical condition will be covered.
- As with any insurance plan, it is important to check the details of your contract to ensure you are protected. Complete details of the coverage and exclusions under the RTIP travel insurance plan can be found at otip.com/For-Retirees/Travel.

Top-up insurance for trips over 95 consecutive days is available. Visit otip.com/for-retirees/travel for more information.

DENTAL COVERAGE

Dental coverage is optional

RTIP's dental plan covers regular examinations, preventative care and many more substantial procedures, as outlined below. **Reimbursement is based on the current year's general practitioner's fee guide in the province of treatment.**

Coverage includes:

Basic Preventive and Restorative Services*

80% coverage for dental examinations, extractions, fillings, X-rays, periodontal scaling combined with root planing up to 12 units of time, cleaning and preventative procedures with no overall maximum. Coverage for recall examinations is limited to nine months from the last appointment.

Comprehensive Basic Services*

80% coverage for root canals (endodontics), gum disease treatments (periodontics) and repairs, rebasing and relining of upper and lower dentures, up to a combined annual maximum of \$800.

Major Services*

50% coverage for crowns, bridges, implants and dentures, to a combined annual maximum of \$700.

Add dental coverage at any time!

Dental coverage can be added to any of the RTIP health-care plans, or purchased alone, at any time. Claim reimbursements are effective immediately. The only requirement is that you remain enrolled for at least 12 months after adding dental care to your plan. If you decide to cancel your dental coverage after the minimum 12-month requirement, you must wait 24 months before you can repurchase this benefit.

Monthly Premiums

PST & HST do not apply.

Single	\$68.81
Couple	\$136.19
Family	\$166.43

I certify that the information provided about me and/or my dependant(s) (spouse/child), if applicable, in this Application is true and complete. I understand that this Application will form part of my Contract issued by the Trustees of the Ontario Teachers Insurance Plan and that my Coverage may be denied or terminated at any time if I provide false, incomplete, or misleading information. I authorize OTIP and its service providers to collect, use, maintain and disclose my personal information, including personal health information ("Information"), relevant to this application, for the purposes of evaluating my initial and ongoing eligibility, determining my premium payments, adjudicating and paying my claims and providing me with ongoing services ("Purposes"). I am authorized to consent to the collection, use, maintenance and disclosure of Information pertaining to my dependant(s), if applicable, for the Purposes. I understand that my Information may be used in protecting us both from error and fraud and complying with various legal requirements. I understand that Coverage will not become effective until approved by OTIP. If I cancel my Coverage within 10 days from the date coverage is confirmed, any premium paid will be refunded. I agree that a photocopy or electronic version of this authorization shall be as valid as the original and this authorization will remain valid unless canceled by me in writing.

METHOD A – Automatic monthly pension deduction for members who have a pension with **Ontario Teachers' Pension Plan**

I hereby authorize and direct the Ontario Teachers' Pension Plan (OTPP) to deduct premium payments from my pension for my RTIP Coverage as well as any revised payment amounts or any other amounts that may be due and owing by me, and to remit the premium payments to OTIP on my behalf. OTIP may terminate coverage should a deduction be refused for any reason and OTPP shall in no way be held liable for non-payment of premiums should such an event occur. I understand and accept that premium amounts are subject to changes I elect to my Coverage and/or upon the annual renewal of my Coverage and OTIP will automatically apply and deduct the new premium amount from my pension, and I agree to waive any other notice of premium changes. If my payment is rejected for any reason, I understand that any outstanding amount may be automatically deducted from my pension the following month. This authorization shall remain valid unless cancelled by me in writing to OTIP at least ten (10) business days prior to the next monthly deduction. I understand that cancellation of this authorization does not relieve me of my obligation to pay all amounts that may be owing to OTIP by a method of payment that is satisfactory to OTIP. I authorize and consent to the use of my social insurance number (SIN) for the purpose of deducting premium payments from my pension.

METHOD B – Monthly pre-authorized payment plan (PAD)

I hereby authorize OTIP to withdraw monthly premium payments from my bank account on the 1st day of the month (or next business day) as well as any revised payment amounts or any other amounts that may be due and owing by me. If my payment is returned by my financial institution, for any reason, not limited to non-sufficient funds, I understand that a \$10 OTIP administration fee for each payment returned may be added to the outstanding balance owed. If my payment is returned or stopped, any outstanding amounts (including the \$10 OTIP administration fee per returned payment) will be automatically withdrawn from my account the following month. OTIP may terminate coverage should a withdrawal be refused for any reason and the financial institution shall in no way be held liable for non-payment of premiums should such an event occur. I understand and accept that premium amounts are subject to changes I elect to my Coverage and/or upon the annual renewal of my Coverage and that OTIP will automatically apply and deduct the new premium amount from my account, and I agree to waive any other notice of premium changes. This authorization shall remain valid unless canceled by me in writing to OTIP at least ten (10) business days prior to the next PAD from my account. I understand that cancellation of this authorization does not relieve me of my obligation to pay all amounts that may be owing to OTIP by a method of payment that is satisfactory to OTIP.

I have certain recourse rights if any debit does not comply with this agreement. For example, I have the right to receive reimbursement for any withdrawal paid to OTIP that is not authorized or is not consistent with this PAD agreement. To obtain more information about my recourse rights, I may contact my financial institution or visit www.cdnpay.ca. I warrant OTIP on a continuing basis that all persons authorized to sign on this PAD Account have authorized this agreement, agreed to all terms therein and that the information provided with regard to this PAD Account is accurate and complete. I undertake to notify OTIP of any changes to my chequing/savings account information, including change of name, at least ten (10) business days prior to the next PAD from my account to ensure changes take effect.

Type of Account: ☐ Chequing ☐ Savings

A void cheque **MUST** be attached to/included with this application.

Is this a joint account requiring only one signature? ☐ Yes ☐ No

If both signatures are required, both account holders must sign this form.
